### II. Consent Agenda

1. Approval of Appropriation Number 5-10
2. Approval of 3-1-10 Regular Meeting Minutes and 3-1-10 Excerpt of Minutes
3. Approval of February 2010 Court Report

### III. New Business

1. Tabled at 3-1-10 Meeting - Discussion on KLINK-1R project options on North Broadway micro-sealing since only one bid was received from Ballou Construction in Salina. The bid was \$147,440 which is \$60,796.97 or 70% above the original estimate of \$86,643.03 that was presented in 2005 when the KLINK-1R project was applied for by City Manager Brian Silcott. Glenn Knak of BWR in Salina will present options. Formal motion needed to accept or reject the Ballou Construction bid after consideration of options. Glenn Knak estimates \$150,000 for mill and overlay with Sterling cost share at 25% in the amount of \$37,500.
2. Tabled at 3-1-10 Meeting - Recommend awarding Transportation Enhancement Project – Monument Sign bid in the amount of \$86,474 by Bryant & Bryant Construction Inc of Halstead, Kansas with the change order eliminating the sidewalk construction from Sterling College campus on Forest Avenue north to Lucky's (Haldon's). The BWR Engineer's Opinion of Probable Construction Costs is \$70,486 so the bid of \$86,474 was over \$15,988 or 22.6%. Elimination of the sidewalk construction by change order will lower the bid \$18,994 to bring the project within the 10% allowance range. First tabled from the February 15, 2010 City Commission meeting. Sterling has spent \$17,254 for 19.9% of required 20% match of the original TE application for \$86,738 total project cost and \$69,390 grant at 80%.
3. Recommend Richard (Dicko) Jones, Jr. as KMEA (Kansas Municipal Energy Agency) Director #2 for a two year term beginning April 2010. John Wagerle is the permanent alternate and Rod Willis is Director #1.
